Dear Neighbors:

On behalf of the city of Las Vegas Parks, Recreation and Neighborhood Services Department, WELCOME! 2012 was a busy time, and we ended the year with some significant accomplishments, including an overall update to the Park Rules that now prohibits smoking in certain areas, the 27th annual Corporate Challenge games, the Mayor's Cup International Soccer Tournament, enhancements to the Safekey program with expanded hours of operations and new partnerships, and online registration, which is now expanded to park pavilion reservations. The department also received a Best Practice Recognition for Partnerships for our leadership efforts in the community, including those that focus on youth, homelessness, foreclosures and special needs populations.

Our programs go beyond the neon to include state-of-the-art facilities and amenities to meet the needs of our residents. With the holidays over and school back in full swing, there are many opportunities for you to get involved. Teen Councils are a great opportunity for teens to acquire practical skills that are useful in obtaining employment or scholarships while having fun with their peers planning and developing community projects. There are 10 locations throughout the city that offer Teen Council programs and you can find more information on the back inside cover of this catalog.

Our department also administers a Park Ambassador program. Park Ambassadors are the eyes of the neighborhood and help keep the parks safe for everyone. They contribute their time and talents on projects at area hospitals and community centers for holidays and special occasions throughout the year. If you are interested in becoming a Park Ambassador, check out the details on page 60 of this catalog. We would love to have you!

We continue to make every effort to assist with aiding the less fortunate. To ensure city of Las Vegas low-income and homeless residents in crisis receive housing assistance, city-funded non-profits will provide services at the Corridor of Hope Center located in the Salvation Army Family Services building at 1581 Main Street. The goal is to have a continuum of services designed to assist a person or family off the street to preventing a household from entering homelessness. For more information about these resources, please contact the Corridor of Hope Center office at 229-4273.

A reminder that the administrative office for Safekey has moved to 416 North 7th Street (just off Bonanza Road) and can be reached at (702) 229-3399. Please feel free to contact our main office at (702) 229-2330 at any time. You can also email us directly at [neighborhoodsonline@lasvegasnevada.gov](mailto:neighborhoodsonline@lasvegasnevada.gov). We look forward to hearing from you!

Sincerely,

A handwritten signature of Stephen K. Harsin, AICP, in black ink.

EXPLORE AND LEARN

Offered in partnership with Nevada Early Intervention, families participate in fun activities that promote thinking, language, gross and fine motor skills, as well as social emotional and self-help skills for children ages nine weeks to 35 months of age. Occupational, physical, or speech therapist will visit the classes on occasion for consultation and give additional strategies. Parents are required to attend with the child and siblings outside the age range are also welcome to attend.

The session lasts eight weeks for an hour and a half each class. The purpose of the class is to teach families "hands-on" fun, with educational components that can be used in the outside the class. Each component taught will be explained and so that the skill taught can be reinforced outside the class.

## SUSTAINABILITY

For the city of Las Vegas, Sustainability is more than just being "green" – it is a way to ensure that current and future generations will enjoy the quality of life we have all worked so hard to achieve. It includes every aspect of our lives and it takes the whole community to make it work.

The city of Las Vegas will ensure the quality of life for its residents and the economic stability for the organization by implementing policies, measures, actions and practices that conserve natural resources, protect the environment and maintain the vibrant economy.

You can help us sustain the livability of our community by taking part in reusing, recycling and reducing in all you do. Every little bit makes for a big impact.

## PERFORMANCE PLUS

In 2007, the city management team under the guidance of the City Council launched a new performance management initiative in an effort to increase transparency and accountability in the way the city of Las Vegas conducts business. The initiative entitled, "Performance Plus – Managing for Results" is a standardized performance management system and is linked to the city's budgeting process. Each year departments update strategic business plans that are organized by program. Each program measures the benefit customers experience as a consequence of receiving the program's services. Collecting and evaluating performance measures in strategic business plans plays a significant role in each department's decision-making by illuminating how well targets are achieved. The end result is that the city improves program efficiency and effectiveness, which in turn, provides better results for citizens. To access the city's strategic business plans, visit [www.lasvegasnevada.gov/sbp](http://www.lasvegasnevada.gov/sbp).

### CITY PARTNERSHIP BOOSTS IMPACT

A local nonprofit organization, the YMCA partners with the city of Las Vegas to provide fitness and recreational opportunities in underserved pockets of the valley. In 2000, the YMCA entered into an agreement with the city to operate the city of Las Vegas Durango Hills Community Center. The collaboration allowed the YMCA to double its community impact.

In early 2007, the YMCA was selected to operate the city of Las Vegas Centennial Hills Community Center in the northwest valley. Located on 18 acres in Centennial Hills Park, the 98,000-square-foot community center is the city's largest leisure center. The YMCA operates these branches in addition to the YMCA-owned Bill and Lillie Heinrich YMCA, located at 4141 Meadows Lane across from the Meadows Mall.

### TRADITIONAL AND INNOVATIVE PROGRAMS

The YMCA offers countless programs for individuals of every age and ability. Summer is a great time to sign up for swim lessons, youth sports and the Y's popular before and after-school programs. Visit [www.lasvegasyymca.org](http://www.lasvegasyymca.org) for a full program guide.

### SWIM LESSONS

In 2006, YMCAs across the country celebrated a milestone: the 100th anniversary of group swimming instruction at the YMCA. Olympic medalists Mark Spitz, Greg Louganis and Janet Evans learned how to swim at the Y. Classes include water babies, preschool and youth swim lessons, teen and adult lessons, private lessons and specialty classes. Youth ages 6-17 can even participate in YMCA Tigersharks Swim Team!

### YOUTH SPORTS

Young athletes can enjoy positive sporting experiences. From basketball clinics and competitive leagues to Taekwondo, cheerleading, volleyball, gymnastics and wrestling, there's something for everyone at the Y. Even itty bitty athletes (3-5 years) have the chance to learn fundamentals and sportsmanship through programs "just their size."

### TRACK BREAK CAMP

When school's out, the YMCA is in! Track break campers enjoy exciting weekly themes and affordable field trips. Camp includes swimming, arts and crafts, group games, computer learning and more.

### BEFORE-AND AFTER-SCHOOL PROGRAMS

The YMCA offers before- and after-school programs for youth in kindergarten-grade 8. Transportation is provided to and from several schools. Youth receive homework assistance, foster lasting friendships, enjoy recreational activities and refuel on after-school snacks!

# corporate challenge

Celebrating 28 Years of Teamwork, Company Pride and Corporate Wellness

## WHY YOU SHOULD JOIN CORPORATE CHALLENGE!

For 28 years, **Corporate Challenge** has been a healthy way for local companies and their employees to stay active in the community while adding a social component for those that want to sit on the sidelines and cheer on their colleagues. As a staple of the amateur athletic community in the valley, now more than ever, in these uncertain and challenging times, employees need the opportunity for unity, togetherness and camaraderie. **Corporate Challenge** promotes, enables and supports teamwork, company pride and corporate wellness. Some of today's most successful companies understand the real business benefits of being involved in corporate activities from an organizational perspective. Well-structured events are an excellent way to encourage initiative, reward the commitment of key staff, improve moral, inspire cooperation and team spirit, and supercharge future performance.

**Corporate Challenge** brings the spirit of the Olympics to a local and more intimate playing field. We offer 35 different events throughout the Las Vegas valley during an 11-week span of time. Events begin the first week of March 2013 and continue through the end of May 2013. We offer events such as basketball, bocce, golf, poker, tennis, softball and volleyball. Companies are divided into one of three categories, depending on the number of employees. We do this to equal out the playing field and make competition more appealing and fair.

In addition to the many benefits it has for employees, it can also be used as a cost-effective marketing tool to promote your company and garner business. Throughout the 11 weeks of competition, more than 20,000 players and spectators are repeatedly exposed to company names and logos as well as witness team spirit and sportsmanship. Each company that participates designs individual team shirts to wear. This is great exposure to market your company. Your logo will be seen at 35 different events and venues. In addition, your company name will be displayed on the canopy of lights at Fremont Street Experience during Opening Ceremonies and mentioned throughout various event publications. Now more than ever, our businesses, our teams and our citizens need healthy activities to share.

If you want to set up a meeting to further discuss the benefits of this program or for more information, please contact Andrea Anzalone, Corporate Challenge Coordinator, at **(702) 229-6706**.
